

DR. ZWIG

Meet Dr. Zwig - singer-songwriter, psychotherapist, and author. He has had 9 Top Ten hit singles on the U.S Adult Contemporary charts, is an internationally renowned workshop leader and lecturer, and has over 50 million views on YouTube. He has been featured in Billboard, Huffington Post, CNBC, MSNBC, ABC, CBS, Forbes, Gibson and many other publications. Dr Zwig has released 7 albums and his songs can regularly be heard on NBC, Fox, and Fuel TV. His forthcoming book, *Music in the Mayhem: Tales of Total Transformation from a Rock n Roll Psychotherapist*, shows how life problems are not pathological but rather personal growth processes trying to happen.

"As a musician, music fan and doctor, music truly is therapy for Adam Zwig. With a Ph.D. in psychology, Zwig joins the ranks of Renaissance men like Brian May of Queen and Bad Religion's Greg Graffin." -
